

Public Education Exit Survey Policy

Purpose

Surveys may provide objective and subjective data for use by the Moab Charter School (MCS) governing board, as well as the Utah State Board of Education (USBE) and other relevant, authorized parties.

Policy

The MCS governing board and staff shall administer the public educator exit and engagement surveys to educators (i.e. classroom teacher, preschool teacher, special education teacher, or school-based specialist) as required by Utah state statute and USBE administrative rule R277-325. MCS shall utilize the USBE recommended platform for survey questions in order to assure data quality and uniformity. MCS will use secure methods to administer the survey at intervals in accordance with USBE rule. All required data shall be transferred to the State Superintendent of Public Education by June 30 of each calendar year.
